Our

team

FOR OVER 35 YEARS WE HAD ONE GOAL

Attention to detail
Which transforms the
concept to live or visit a
space that has the
greatest expression of
comfort and elegance.

Why One Space Group ?

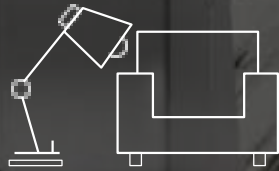

At One Space GROUP, We make it our mission to strike a perfect balance between ingenuity, art and technology to create efficient and functional designs that make the very best of internal and external spaces available.

Our DESIGN capabilities include exclusive design solutions that range from concept designing and building interiors to project management, Contracting and Execution.

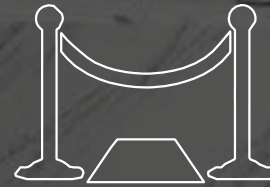

Services we provide

Our group of companies works in multiple sectors which consists of Conusltancy and Construction, Media and Events, Advertising and Branding. Making sure that your success is our prime goal.
